## 2024 Corporate Season Pass

### THE LEGACY CORPORATE PASS INCLUDES:

- **70 Rounds of golf with cart** if payment is received before/on March 15th
  - 65 Rounds after March 15th.
  - Golf rounds may be used for open play on weekdays, weekends, & holidays
  - Corporate rounds cannot be used for outing rounds. Limited exceptions can be negotiated with the general manager.
- **All rounds are per calendar year**
  - Rounds can carry over to the next year if play pass is renewed for the upcoming year.
- Corporate Pass includes unlimited use of practice range balls
- Corporate Purchaser may designate pass holders for signing-in players for play. This is a company resource. You can decide how you want to use your membership.
- Designated play pass holders receive discount on USGA handicap service and discount on regularly priced pro shop merchandise
- Corporate Pass purchasers can activate charge account privileges that are invoiced monthly. This way someone on your sales team can treat a client without having to have a company card or use their own money.
- Corporate Pass holders may call up to **21 days** in advance for preferred tee times. That is 1 week before public can book tee times.
- This year we added GPS units to all of our golf carts. Because of this, we have the opportunity to have hole sponsors. We want to offer these spots to our corporate members at a discounted rate. The normal cost for a hole sponsor is \$1000-\$1500, depending on the hole you choose. Last year we had over 55,000 rounds so that is 55,000 impressions for your business. If you are interested in adding this at a discounted rate, please let us know and we can give you all of the specifics.

**\$3500 + up** 70 Rounds and Hole Sponsorship on GPS units  
**\$3000** 70 Rounds (Reduced to 65 rounds if purchased after March 15<sup>th</sup>)
